

# 4 BIG REASONS WHY BUSINESSES OUTSOURCE THEIR COMPUTER IT SUPPORT TO US:

## 1. FLAT RATE SERVICE

Eliminating 100% of your unpredictable and unplanned IT costs.

## 2. NO NICKEL-AND-DIMING OR FINE PRINT

Our service agreements aren't full of weasel clauses and exclusions; you'll know exactly what you're paying for and what you can expect - no "gotchas" or hidden fees.

## 3. YOU'LL GET A PROFESSIONAL TEAM, NOT A "ONE-MAN-BAND"

Many IT businesses only have a few technicians on staff, which means you might be left waiting for hours or even DAYS to get your computer problems resolved because they're short staffed or too busy trying to serve all their clients.

## 4. LIVE SUPPORT 24/7:

You'll always have our technical support team available to you, day or night
